Logins & Resources:

Educators, Team Leaders and Members and nominated team Mentors, will have access to the UBC simulation platform used in Round 1 via logins which will be sent to participants. All resources are made available on-line and can be downloaded from the simulation platform – which is viewable on all devices - once teams and university support staff have been sent their login details by the UBC management team. The Team Brief and Guide contains all the information necessary to take part in the UBC UK. These resources are in electronic format which can be viewed on-screen.

Upload your Team Leaders:

When you know your Team Leaders, you can upload their **name/s and email address/es** by logging into the UBC platform and selecting Manage Teams. The UBC simulation platform will automatically email Team Leaders their logins.

If you want your teams to participate in the optional TTP, you should upload your Team Leader details prior to the TTP commencement date, i.e. on or before 24 October 2017 (please see detailed timetable below).

When Team Leaders have their logins, they input their Team Member details. The simulation platform emails Team Members their logins, so all team members have access to the simulation website.

Round 1: Timetable

Trial Trading Period (TTP): 24 – 31 October 2017

The UBC UK Round 1 starts with an optional Trial Trading Period which opens on 24 October and decisions can be uploaded from this time until 31 October 2017 (decision form closes at 9 a.m.). Please note that Trial Trading Period (TTP) results do not count towards the final result. Results only count towards the final result from Trading Period 1 onwards. The TTP is a practice round for teams to get used to the briefing resources and decisions.

While we encourage teams to complete the TTP, it is not essential in order to compete in Round 1 of the UBC, so teams who enter late can start a week later with Trading Period 1.

If you want your teams to participate in the TTP, you should upload your Team Leader details prior to the TTP commencement date, i.e. on or before 14 October 2016.
