Logins & Resources:

Educators, Team Leaders and Members and nominated team Mentors, will have access to the UBC simulation platform used in Round 1 via logins which will be sent to participants. All resources are made available online and can be downloaded from the simulation platform – which is viewable on all devices - once teams and university support staff have been sent their login details. The Team Brief and

Guide contains all the information necessary to take part in the UBC UK. These resources are in electronic format which can be viewed on-screen.

Upload Team Leader details:

When Educators know their Team Leaders, they should upload their **name/s and email address/es** by logging into the UBC platform and selecting Manage Teams. The UBC simulation platform will automatically email Team Leaders their logins once their details have been submitted.

If you want your teams to participate in the optional Trial Trading Period (TTP), you should upload your Team Leader details prior to the TTP commencement date, i.e. on or before 20 January 2022 (please see detailed timetable below).

When Team Leaders have their logins, they input their Team Member details. The simulation platform emails Team Members their logins, so all team members have access to the simulation platform.

Round 1: Timetable

Trial Trading Period (TTP): 20 January – 1 February 2022

The UBC Global Masters Round 1 starts with an optional Trial Trading Period which opens on 20 January and decisions can be uploaded from this time until 1 February 2022 (decision form closes at 12 p.m.). Please note that Trial Trading Period (TTP) results do not count towards the final result. Results only count towards the final result from Trading Period 1 onwards. The TTP is a practice round for teams to get used to the briefing resources and decisions.

While we encourage teams to complete the TTP, it is not essential in order to compete in Round 1 of the Global Masters, so teams who enter late can start a week later with Trading Period 1.

If you want your teams to participate in the TTP, you should upload your Team Leader details prior to the TTP commencement date, i.e. on or before 20 January 2022.

Results for TTP: 3 February 2022

Trading Period One: 3 to 8 February 2022

Decisions can be uploaded from 3 February (decision form opens at 9 a.m.) to 8 February 2022 (decision form closes at 12 p.m.)

Please note that this is the first Trading Period where decisions count towards the final result. You would therefore need to upload your Team Leader details by 3 February 2022 so your teams can access the resources and participate in TP1.
