### 3-round format - Round 1, 2 & 3:

The UBC UK is run over three rounds. Round 1 is run on-line via the UBC portal on The Simulation Space platform designed by Learning Dynamics. Teams input their decisions each week for six weeks and results are published as per the timetable below. Approximately the top 30% of teams from this round go through to the Round 2 Semi-Finals – run live over one day at regional locations. The top 10 teams from the Round 2 Semi-Finals go through to the Round 3 Grand Final – hosted by the UBC lead employer partner at a London venue.

[Please note: In 2019-20 we will also be running the UBC Global Masters Postgraduate Competition which will have a different timetable from the UBC Undergraduate Competition. Please see the separate timetable].

### Key dates:

**Entries open: 3 April 2019**

**Entries close: 25 October 2019**

### Confirmation of entries:

All entries will be confirmed progressively up to the closing date. Late Entries confirmed by: 25 October 2019

## Round 1 - On-line: October to December 2019

Round 1 commences in late-October and teams will make decisions weekly over six consecutive weeks using the UBC Round 1 simulation platform developed by Learning Dynamics/The Simulation Space.

## On-line Simulation - for all devices: Logins & Resources:

Educators, Team Leaders and Members and nominated team Mentors, will have access to the UBC simulation portal used in Round 1 via logins which will be sent to participants. All resources are made available on-line and can be downloaded from the simulation portal – which is viewable on all devices - once teams and university support staff have been sent their login details. The Team Brief and Guide contains all the information necessary to take part in the UBC UK. These resources are in electronic format which can be viewed on-screen.

## Upload your Team Leaders email addresses:

When you know your Team Leaders, you can upload their **name/s and email address/es** by logging into the UBC portal and selecting Manage Teams. The UBC simulation portal will automatically email Team Leaders their logins when you have submitted their details.

[If you want your teams to participate in the optional Trial Trading Period \(TTP\), you should upload your Team Leader details prior to the TTP commencement date, i.e. on or before 25 October 2019 \(please see detailed timetable below\).](#)

When **Team Leaders** have their logins, they input their Team Member details. The simulation platform emails Team Members their logins, so all team members have access to the simulation platform.

## Round 1: Timetable

**Trial Trading Period (TTP): 29 October – 5 November 2019**

The UBC UK Round 1 starts with an optional Trial Trading Period which opens on 29 October and decisions can be uploaded from this time until 5 November 2019 (decision form closes at 9 a.m.). The TTP is a practice round for teams to get used to the briefing resources and decisions.

**While we encourage teams to complete the TTP, it is not essential in order to compete in Round 1 of the UBC, so teams who enter late can start a week later with Trading Period 1.**
